Stout Risius Ross (SRR) invites you to join us at our Michigan Intellectual Property Symposium, an event where select intellectual property (IP) professionals will cover a broad range of IP issues facing Michigan in-house counsel and private practice attorneys, with an emphasis on the financial and economic implications of these issues.

Our panelists will feature in-house counsel from Delphi, Stryker, Dow Chemical, and senior practitioners from SRR, along with other thought leaders. This exciting event is designed to allow you to hear from experts in the field, consult with your peers and gain a fresh perspective on IP challenges facing Michigan-based businesses.

The Symposium will include panel discussions on:

- Building IP Value in Michigan
- IP Issues in Bankruptcy
- Protecting IP When Dealing with China
- Monetizing Your IP Assets

The event is complimentary but space is limited. Please visit the following link to register: [www.srr.com/about/events](http://www.srr.com/about/events)
